

Ship Agents & Services

There are a number of ship agents and sub-agents who provide services to cruise ships sailing into the Port of Corner Brook. These agents are able to coordinate a full range of services that may be required by your vessel including fuel, supplies and minor repairs.

Newfoundland and Labrador is well known for its pristine water, and the Corner Brook water supply is no exception. The price is \$1 Canadian per tonne with low labour costs. Corner Brook is just 50 kilometers by highway from Deer Lake Regional Airport which offers convenient daily flights and connections to major international airports. The area is also serviced by a regional hospital, and there is a Canada Border Services Agency (CBSA) office located near the port.

The following services are available at the Port of Corner Brook:

- Water
- Fuel
- Sludge/black water/gray water removal
- Supplies
- Customs
- Minor Repairs
- Hospital (2 km)
- International Garbage
- Airport (50 km)
